

Craftworks Program at Common Thread

Intake form 2019

Craftworks is a program that supports people with complex multiple barriers (such as intellectual disabilities, life-long mental health barriers, physical disabilities, age barriers, under-employed, single parents at home, caregiver to a family member, etc.) who are not able to work on a regular basis. **The program provides opportunities for participants to create craft items and receive supplemental income.** If you are interested in joining the program, please fill in this form, indicating both the skills and the barriers you have. This will help us determine whether you are a good candidate for the program, and which stream of the program will be a good fit for you.

First, tell us about your skills:
